

GENERAL CHARACTERISTICS

Double insulated ABS enclosures

IP65 protection rating according to IEC/EN 60529

Ambient temperature: Operating -25° +70° °C

Storage -40° +70° °C

Slow break or snap action double gap contacts

Cable entry with M25 cable clamp

Rated insulation voltage Ui 500V

Rated thermal current 25A

Rated operating power:

3-phase - 2-pole 230V ac kW 2.2

400V ac kW 2.2

3-phase - 3-pole 230V ac kW 3

400V ac kW 3

2 directions
mechanically interlocked
